**BACKGROUND AND EXISTING CONDITIONS:**

In November 2004, the County of Orange approved the Ranch Plan Planned Community, which encompasses approximately 22,815 acres located east of I-5, north and south of Ortega Highway at Antonio Parkway/La Pata Avenue, within the Fifth Supervisorial District. As approved, the Ranch Plan Planned Community comprises 75 percent permanent open space and allows for the development of 14,000 dwelling units and 5,200,000 square feet (SF) of non-residential uses in the remaining 25 percent. It is regulated by the Ranch Plan Planned Community Program Text which addresses the unique characteristics of the property and a development plan for the transition to suburban/urban uses occurring over a 25- to 30-year period.

The Master Area Plan and Subarea Plans for Planning Areas 3 and 4 were originally approved on February 25, 2015, by the Planning Commission (PA140072-PA140081) and revised administratively on May 22, 2017 (PA150047). On September 11, 2019, the Planning Commission approved amendments and revisions to the Master Area Plans and Subarea Plans for Planning Areas 3 and 4 (PA180030) which reflect the applicant's plan to develop Planning Area 3 in smaller phases. Administrative revisions to the Master Area Plan and Subarea Plans for Planning Areas 3 and 4 were approved in October 2022 (PA22-0067), October 2024 (PA24-0104), and most recently in May 2025 (MB24-0070).

**Subdivision Committee Report – September 17, 2025**

VTTM19384 – RMV Subarea 3.14

Page 3 of 8

Final Tract Map 19227 for the western portion of Subarea 3.14 was approved by the Orange County Board of Supervisors on January 28, 2025, and recorded on February 13, 2025. Currently, the western portion of Subarea 3.14 is being graded under permit GRD23-0060 and supporting infrastructure (streets, storm drains, etc.) is in various stages of construction.

Proposed Project

The applicant, Rancho Mission Viejo, requests approval of “B” Vesting Tentative Tract Map 19384 (VTTM19384) to subdivide a 13.81-acre site within Subarea 3.14 of the Ranch Plan Planned Community into 15 legal lots: 2 numbered lots for a 217-unit multiple family dwelling development, 11 lettered lots for open space, and 2 lettered lots for private streets. This VTTM is the first “B” map being proposed in Planning Area 3, Subarea 3.14 of the Ranch Plan. Lots 15 through 17, Q, R, S, and a portion of Lot 18 of Final Map 19227 established the boundaries of this “B” map (Exhibit 2 page 4). Further discussion is provided in the Discussion/Analysis section.

**SURROUNDING LAND USE:**

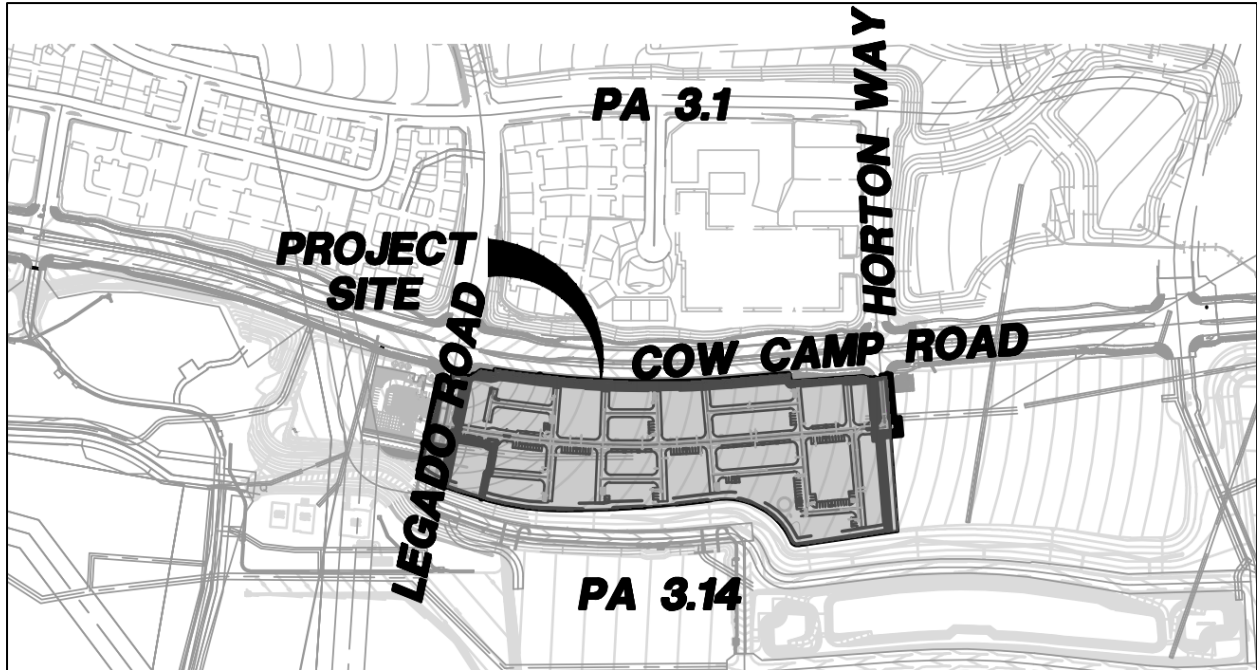

Land uses immediately surrounding the project site include the following:

- North: Cow Cam Road, Subarea 3.1 development
- East: Future Subarea 3.14 development
- West: Existing Orange County Fire Authority Fire Station 67
- South: Future Subarea 3.14 development

Please refer to General Vicinity Map (below) and the Project Site Map (following page).

**Exhibit 1 – General Vicinity Map**

**Exhibit 2 – Project Site Map**

**DISCUSSION/ANALYSIS:**

General Description

The proposed “B” VTTM19384 is a subdivision of a 13.81-acre site within Subarea 3.14 of the Ranch Plan Planned Community into 2 numbered lots for a 217-unit multiple family dwelling development, 11 lettered lots for landscaping, sidewalks and bike trails, and 2 lettered lots for private streets. Lot 1 will be developed as the recreation center serving the multiple family development, and Lot 2 has been configured for the development of building pads, private driveways, and private motor courts. A reciprocal access agreement over Lots 1 and 2 will be recorded with the final tract map to ensure pedestrian and vehicular access is permitted across the entire project.

General access to the tract will be provided from Legado Road and Horton Way via Cow Camp Road. The main entrance to the project site will be from Legado Road, with Horton Way serving as secondary access. The tract map has been designed with a main private driveway running east/west through the center of the project that is connected to a system of motor courts oriented around building pads. Unit plotting and site design for the tract map are being reviewed concurrently under Site Development Permit PA24-0156 for consistency with the Ranch Plan PC Program Text.

Consistency Analysis:

Proposed “B” VTTM19384 is consistent with:

- a. State Subdivision Map Act and County of Orange Subdivision Code and Manual.
- b. General Plan, Land Use Element: 1B Suburban Residential. The proposed map is consistent with the 1B Suburban Residential designation.
- c. Zoning: Planned Community. The proposed map is in conformance with the County of Orange Planned Community District regulations as regulated by the Ranch Plan Planned Community Text, statistical summary, and development maps.

- d. Area Plans. The proposed map is consistent with the PA3 Master Area Plan, Subarea Plan 3.14, and the PA3 & 4 Master Area and Subarea Plan Amendment and Addendum (MB24-0070).
- e. CEQA: The proposed map is consistent with Program EIR 589, which was certified on November 8, 2004; Addendum 1.0, approved on July 26, 2006; Addendum 1.1, approved on February 24, 2011; the Planning Area 2 Addendum, approved on March 27, 2013; and Addendum 3.1 approved on February 25, 2015.
- f. Alternative Development Standards: All previously approved Alternative Development Standards that are to be incorporated into the development of Subarea 3.14 are listed within the Note #15 on the cover page of proposed VTTM19384.
- g. Regulation Compliance Matrix: Clearance of all applicable conditions of approval have been confirmed per the Ranch Plan Regulation Compliance Matrix.

#### Estimated Earthwork

The proposed estimated grading quantities for this map are substantially consistent with or less than the earthwork quantities described under previous approvals (i.e., Master Area Plan (PA3), Subarea Plan 3.14, Addendum 3.1, and “A” Tract 19227). The proposed grading on this map has been addressed per CEQA documents, FEIR 589 and Addendum 3.1, which identified an estimated 85 million cubic yards of cut and fill within Planning Area 3. Grading quantities for all future tract maps within Planning Area 3 will continue to be monitored to ensure consistency with the estimated quantities noted in Addendum 3.1.

#### Drainage:

The subject property is in the Ranch Plan Planned Community Runoff Management Plan (ROMP) Area. A Master Plan of Drainage (MPD), consistent with the latest version of the PA 3 and 4 ROMP, has been established for the project site (Subarea 3.14). VTTM19384 is consistent with this MPD, however no MPD fees are required.

#### Recreation and Open Space:

The proposed map is not required to provide any improvements or dedications associated with the County Master Plan of Regional Recreation Facilities; Master Plan of Regional Riding and Hiking Trails; Resources Element (Open Space Component); or the County Bikeway Plan.

- Master Plan of Regional Recreation Facilities - There are no regional park dedication requirements applicable to the subject map.
- Master Plan of Regional Riding and Hiking Trails - There are no riding and hiking trail requirements applicable to the subject map.
- Master Plan of Local Parks (Local Park Code) - The proposed map is subject to Park Modification PM07-01, the Local Park Implementation Plan (LPIP) for the Ranch Plan Planned Community originally approved March 14, 2007, 1st Amendment approved in June 2012, 2nd Amendment approved on July 16, 2014, 3rd Amendment approved on November 20, 2019, 4th Amendment approved December 6, 2023 and the 5th Amendment approved on September 17, 2025

Per the Ranch Plan LPIP, the total parkland acreage requirement for the entire Ranch Plan Planned Community is 94 acres (70.5 public, 23.5 private), based on 14,000 approved dwelling units and the anticipated proportion of single-family and multi-family units. For Subarea 3.14, the Ranch Plan LPIP indicates up to 20 acres of public parkland may be developed. Additionally, the current Ranch Plan LPIP indicates 70.686 acres of public park land have already been recorded in the

Ranch Plan, which exceeds the Ranch Plan LPIPs requirement of a minimum 70.5 acres of public park land. Therefore, there are no required parkland dedication for VTTM19384.

- Resources Element - Open Space Component - There are no open space dedication requirements applicable to the subject map.
- County Bikeway Plan - There are no County-wide bikeways identified within the area of this map.

#### Public Services & Utilities

- Schools - This property is within the boundaries of the Capistrano Unified School District. The developer is subject to the provisions of Assembly Bill AB 2926 or other mitigating measures designed to provide for school facilities and/or funding, such as community facilities districts, as outlined by Mitigation Measure 4.15-5 of FEIR 589.
- Facilities Fees Programs - This map area is included within the Ranch Plan Planned Community Development Agreement area which phases development commensurate with public services and facilities.

- Fire Protection and Safety - Existing and proposed fire protection services will be providing an adequate level of fire protection services to this development. Additionally, this property is within the area covered by the approved Ranch Plan Fire Protection Program (RPFPP). As required by the RPFPP, Fire Protection Plan SR#24001211 and Fire Master Plan SR# 24001212 were approved by OCFA on September 19, 2024 for VTTM 19384.
- County Service Area (CSA) - This property is within the boundaries of County Service Area No. 26.

#### Traffic/Circulation

- Scenic Highway Corridors - There are no Scenic Highways applicable to this map. However, the project is adjacent to and proposes to take access from future Cow Camp Road, which is classified as a Landscape Corridor on the Master Plan of Scenic Highways. Development along Cow Camp Road shall be consistent with the scenic highway designation.
- Access/Highways/Streets/Roads - Access to the site is provided from Legado Road and Horton Way via Cow Camp Road. Internal tract access will be provided by a system of private drives and motor courts.

OCFA and Land Development will continue to coordinate necessary plan check reviews during the permitting and construction process to ensure the development of VTTM 19384 in compliance with associated fire safety and fire protection requirements.

#### Multiple Final Map Phasing

As indicated on the Map under Note #19 of the title sheet VTTM19384, the option of multiple final maps phasing has been requested as part of the approval of this Vesting Tentative Tract Map.

#### **ALTERNATIVE DEVELOPMENT STANDARDS:**

As allowed by General Regulation #25 of the Ranch Plan Planned Community Program Text, proposed Alternative Development Standards are intended to be incorporated into the development as listed within the “Notes” portion of the cover page of VTTM19384. The following approved Ranch PC Alternative Development Standards (approved May 22, 2024) are proposed as part of VTTM19384:

- D-6 Multiple-Family Dwellings – Minimum Distance Between Buildings
- D-7 Recreation Uses Setbacks
- D-13 Tandem Parking
- G-9 Rolled Curb on Private Streets

#### **REFERRAL FOR COMMENT AND PUBLIC NOTICE:**

Copies of the vesting tentative tract map submittal package were distributed for review and comment to County staff and consultants, including Land Development, Traffic Engineering, Development Support, Survey, Operations & Maintenance, Building & Safety and the Orange County Fire Authority. Through a collaborative effort with County staff, the applicant adequately addressed all comments. No public comments have been received to date.

#### **CEQA COMPLIANCE:**

The proposed project is covered by previous CEQA documentation, which includes Final Program EIR 589, which was certified on November 8, 2004; Addendum 1.0, approved on July 26, 2006; Addendum 1.1, approved on February 24, 2011; the Planning Area 2 Addendum, approved on March 27, 2013; and Addendum 3.1, approved February 25, 2015. This finding is appropriate and complies with the intent of CEQA, pursuant to the Orange County 2020 Local CEQA Procedures Manual, Section 13.1 for projects where a previous environmental document (i.e., Program EIR 589) is already in place. Further CEQA evaluation and clearances are not required for proposed “B” VTTM19384.

**CONCLUSION:**

Based on the review of the subject submittal, staff supports approval of the applicant’s proposed “B” Vesting Tentative Tract Map 19384 (VTTM19384) pursuant to the Orange County Subdivision Code, Orange County Codified Ordinances (OCCO) Subarticle 5 (Processing Procedures for Tentative Maps).

**SUBJECT:**

Application for “B” Vesting Tentative Tract Map 19384, within Subarea 3.14 of Rancho Mission Viejo

Dear Ms. Jiménez,

**PROPERTY OWNER:**

The specific land ownership entity for the proposed project site is a joint-venture partnership between Western National Group (the applicant) and RMV PA3 Development, LLC, (the landowner and developer) (referred to as Rancho Mission Viejo, or “RMV”).

**PROJECT LOCATION:**

The TT19384 project site is located within the Ranch Plan Planned Community - Planning Area 3 (PA3), Subarea 3.14 in unincorporated Orange County, California.

**PROJECT DESCRIPTION:**

Rancho Mission Viejo requests Subdivision Committee approval of “B” Vesting Tentative Tract Map 19384 within Rancho Mission Viejo (Ranch Plan) Planning Area 3 (Rienda), Subarea 3.14.

Proposed VTTM 19384 includes 2 numbered lots for a 217 unit apartment project being processed under PA24-0156.

The proposed VTTM 19384 also includes 13 lettered lots for the purposes of open space and private streets.

The table on the following page provides a statistical breakdown of VTTM 19384 proposed uses.

**TT19384 STATISTICAL SUMMARY**

Lot No.	Use	Acreage (gross)
1-2	Multifamily Residential and Private Streets	12.29
A-K	Open Space	0.99

AAA-BBB	Private Streets	0.53
	<b>TOTAL</b>	<b>13.81</b>

**PREVIOUS PLANNING APPROVALS:**

In November 2004, the County of Orange approved the Ranch Plan Planned Community, which encompasses approximately 22,815 acres located east of I-5, north and south of Ortega Highway, within the Fifth Supervisorial District. As approved, the Ranch Plan Planned Community encompasses 75 percent permanent open space, with development of 14,000 dwelling units and 5,200,000 square feet (SF) of non-residential uses allowed within the remaining 25 percent. It is regulated by the Ranch Plan PC Program Text which addresses the unique characteristics of the property and a development plan for the transition to suburban/urban uses occurring over a 25- to 30-year period.

The proposed VTTM is consistent with previously approved Master Area Plan and Subarea Plans for Planning Area 3 approved on September 11, 2019 (PA180030) (amended October 27, 2022 under PA22-0067). The proposed grading permit applications for VTTM 19834 will be processed concurrently.

**PREVIOUS CEQA COMPLIANCE:**

Final EIR 589, previously certified on November 8, 2004; Addendum 1.0 (PA060023) approved July 26, 2006; Addendum 1.1 (PA110003-06) approved February 24, 2011; the Planning Area 2 Addendum (PA130001-06) approved March 27, 2013; and Addendum 3.1 (PA140072-81) approved February 25, 2015. The proposed grading for this map was addressed per CEQA document FEIR 589, together with Addendum 3.1 (PA140072-81) approved February 25, 2015. Further CEQA evaluation and clearances are not required for this proposed VTTM.

**EXISTING LAND USE:**

Vacant land, partially previously mass graded (per GRD23-0060 and CEQA document PA180030) to allow for future development.

**ZONING:**

Project area is zoned as a Development Area by the Ranch Plan Planned Community (PC) and shall be processed per the implementation procedures detailed in the PC Text, Master Area Plan and Subarea Plans for Planning Area 3 (PA22-0067) including Subarea Plan 3.14. The proposed subdivision and eventual land uses are in compliance with the Urban Activity Center uses approved by the PA3.14 Subarea Plan.

**CONSISTENCY ANALYSIS:**

The proposed VTTM is consistent with the Ranch Plan PC Program Text Use Regulations & Development Standards (PC Program Text, Section III), as described below:

- a. General Plan – The OC General Plan Land Use Element designates Subarea 3.14 of Ranch Plan as “1B, Suburban Residential (0.5 to 18 du/ac)”, per GPA 01-01. The proposed VTTM is consistent with the 1B “Suburban Residential designation.
- b. Zoning – The proposed VTTM is consistent with the Ranch Plan Planned Community zoning, including all applicable requirements of the PC Program Text Use Regulations & Development Standards (PC Section III).
- c. State Subdivision Map Act and County of Orange Subdivision Code and Manual – In Compliance.

- d. Area Plans – The proposed VTTM is consistent with land uses and other details of PA3&4 Master Area Plan and Subarea Plan 3.14 (PA22-0067).
- e. CEQA – The proposed VTTM is consistent with Final EIR 589, previously certified on November 8, 2004; Addendum 1.0 (PA060023) approved July 26, 2006; Addendum 1.1 (PA110003-06) approved February 24, 2011; the Planning Area 2 Addendum (PA130001-06) approved March 27, 2013; and Addendum 3.1 (PA140072-81) approved February 25, 2015.
- f. Alternative Development Standards – All Alternative Development Standards incorporated into this project have been previously approved by the appropriate decision maker per the Ranch Plan Planned Community Program Text, General Regulation 25.
- g. Regulation Compliance Matrix – Clearance of all applicable conditions of approval are to be confirmed per the Ranch Plan Regulation Compliance Matrix.

#### **ADJACENT LAND USE:**

Land uses immediately surrounding the project site include the following:

- West: Temp Fire Station
- North: Subarea 3.1 - Residential
- South: Subarea 3.14 – Basins
- East: Subarea 3.14 – Urban Activity Centers

#### **ADDITIONAL GENERAL PROJECT DETAILS:**

##### Site Access:

General access to the tract is to be provided by Legado Road and Horton Way.

##### Estimated Earthwork:

The estimated grading quantities for this map are substantially consistent with or less than the earthwork quantities described under previous approvals (i.e. Master Area Plan (PA3) and Subarea Plan 3.14). The proposed grading on this map has been addressed per CEQA document FEIR 589, together with Addendum 3.1.

##### Drainage:

The subject property is in the Ranch Plan Planned Community Runoff Management Plan Area. No Master Plan of Drainage (MPD) facilities have been identified or approved within the site and no MPD fees are required. The January 2025 Master Plan of Drainage prepared by Hunsaker & Associates and Huitt Zollars addresses storm drainage for VTTM19384.

##### Recreation and Open Space:

The proposed map is not required to provide any improvements or dedications associated with the County Master Plan of Regional Recreation Facilities; Master Plan of Regional Riding and Hiking Trails; Resources Element (Open Space Component); or OCTA Strategic Plan for Bikeways.

- Master Plan of Regional Recreation Facilities - There are no regional park dedication requirements of the subject map.
- Master Plan of Regional Riding and Hiking Trails - There are no riding and hiking trail requirements of the subject map.
- Master Plan of Local Parks (Local Park Code) - The proposed map is required to provide park land in accordance with the Master Plan of Local Parks (Local Park Code). The Local Park Code requirement for this "A" VTTM will be satisfied at the "B" VTTM level per an allocation of parkland credit from Park Modification PM07-01, the Local Park Implementation Plan (LPIP) for the Ranch Plan P.C. originally approved March 14, 2007,

1st Amendment approved in June 2012, 2<sup>nd</sup> Amendment approved on July 16, 2014, and 3<sup>rd</sup> Amendment approved November 7, 2019. Per the Ranch Plan LPIP, the total parkland acreage requirement for the entire Ranch Plan Planned Community is 94.0 acres, based on 14,000 approved dwelling units and the anticipated proportion of single-family and multi-family units. The Ranch Plan LPIP (PM07-01) indicates that far more acres of total community-wide parkland will be implemented in Planning Area 3&4 than would be required per County standards, based on the 7,500 dwelling units entitled by the PA3&4 Master Area Plan PA180030, per the parkland generation factor for each unit (greater than 6.5 du/ac requires 0.006 acres and less than 6.5 du/ac requires 0.008 acres).

- Resources Element - Open Space Component - There are no open space dedication requirements of the subject map.
- OCTA Strategic Plan for Bikeways - There are no County-wide bikeways identified within the area of this map.

#### Public Services & Utilities

- Schools - This property is within the boundaries of the Capistrano Unified School District. The developer is subject to the provisions of Assembly Bill AB 2926, or other mitigating measures designed to provide for school facilities and/or funding, such as community facilities districts. No school facilities are proposed within this project area.
- Facilities Fees Programs - This project area is included within the Ranch Plan Planned Community Development Facility Agreement area which phases development commensurate with public services and facilities.
- Development Agreement - The project site and the entire Ranch Plan community area is subject to the Rancho Mission Viejo Development Agreement approved by the County of Orange November 8, 2004, which ensures entitlement certainty, added public facility benefits, and phased development in concert with the provision of public services and facilities, thereby promoting the objectives of the General Plan Growth Management Element.
- Water/Sewer - This project is within the boundaries of the Santa Margarita Water District. The district will provide a "will-serve" letter prior to subdivision approval indicating provision of water and sewage disposal service to this development.
- Water Quality Control - This project will be required to operate in accordance with requirements prescribed by the California Regional Water Quality Control Board, San Diego Region.
- Fire Protection and Safety - Existing and proposed fire protection services will be providing an adequate level of fire protection services to this development, per the TT19384 Fire Master Plan to be approved by OCFA prior to subdivision approval. Additionally, this property is within the area covered by the approved Ranch Plan Fire Protection Program, which includes all applicable conditions of approval and regulations.
- County Service Area (CSA) - This property is within the boundaries of County Service Area No. 26.

#### Traffic/Circulation

- Scenic Highway Corridors – Cow Camp Road is a scenic highway and is North of the VTTM.
- Access/Highways/Streets/Roads - Access to the site is proposed via Legado Road and Horton Way. Internal tract access will eventually be provided by internal private streets.
- Major Thoroughfare and Bridge Fee Program - This project lies within the area of benefit of the Foothill/Eastern Transportation Corridor. The developer is required to pay

Foothill/Eastern Major Thoroughfare and Bridge fees in accordance with the adopted program.

- Off-Site Fee Program – The project lies within the area of benefit of the South County Roadway Improvement Road Fee Program (SCRIP). The developer is required to pay SCRIP fees in accordance with the adopted program.

**DEVIATIONS FROM STANDARDS OF DESIGN:**

The developer may request deviations from County standard design criteria in accordance with Subdivision Code section 7-9-291. In the absence of any specifically approved deviation request, the County-approved standard design criteria will prevail. No deviations are requested with this map.

**ALTERNATIVE DEVELOPMENT STANDARDS:**

As indicated in the notes for TT19384, as allowed by General Regulation #25 of the Ranch Plan Planned Community Program Text, proposed Alternative Development Standards listed on the VTTM exhibit are intended to be incorporated into the development.

**REGULATION COMPLIANCE MATRIX ITEMS:**

The following applicable items from the regulation compliance matrix are triggered prior to tentative map approval:

- 6-12. Preliminary Geotechnical Report (EIR 589 Mitigation Measure 4.4-1)
- 36-49. Consistency with PA3 Runoff Management Plan (EIR 589 Mitigation Measure 4.5-5)
- 222. Compliance with Local Park Implementation Plan (PC Text General Regulation 18)
- 602-605. Sprinklers Required (Ranch Plan Fire Protection Program Condition 1)

- 612. “A” Tentative Tract Fire Protection Program (Ranch Plan Fire Protection Program Cond. 2.g)
- 615. Conceptual Fuel Mod Plan (Ranch Plan Fire Protection Program Condition 3.c)

**REFERRAL FOR COMMENT AND PUBLIC NOTICE:**

The applicant understands that the tentative map application submittal will be distributed for review and comment to County staff and consultants, including Land Development, OC Infrastructure Programs, Inspection Services, Building & Safety OC Survey, and Orange County Fire Authority.

The applicant further understands that the VTTM must be approved by the OC Subdivision Committee at a Public Meeting with a public notice mailed to all property owners of record within 300 feet of the subject, and posted at the site, at the Orange County Hall of Administration, and at 601 N. Ross Street, as required by established public meeting posting procedures.

Upon review of this application our hope is that staff supports OC Subdivision Committee approval of Vesting Tentative Tract Map 19384. Please contact me with any questions, or if you or your staff need any further information.

Sincerely,

Subject: **Preliminary Water and Sewer Letter for Western National Group, VTTM 19384, Rancho Mission Viejo, in Improvement District No. 5**

Greetings:

This letter is in response to a request by Western National Group (Developer) for a preliminary water and sewer letter for the subject tract.

The Santa Margarita Water District (District) supplies all of its current customers with domestic water purchased from the Metropolitan Water District of Southern California (Metropolitan) through the Municipal Water District of Orange County (MWDOC), which acts as a wholesaler to its member agencies. It is anticipated the subject tract would also be supplied with available domestic water purchased from Metropolitan through MWDOC. Supplemental water for this development, if required, will be provided per the approved The Ranch Plan Planning Area 3 and 4 Water Supply Verification, dated October 2017. Subject to the Developer's successful completion of the in-tract water and recycled water and the District's construction of the off-site water and recycled water facilities, the District can and will provide domestic and recycled water service to each and every building parcel in the subject tract without exception.

Furthermore, and subject to the Developer's successful completion of the in-tract sewer facilities and the District's construction of off-site sewer facilities, the District can and will provide sewer service to each and every building lot within the subject tract without exception.

At this time, the Developer has not provided surety to guarantee the construction of the in-tract water, recycled water and sewer facilities. A final will-serve will be issued upon your request when (1) the Developer has guaranteed the construction of the in-tract facilities and (2) construction of the District's water and sewer facilities is assured.

Should you have any questions or desire additional information, please call Karla Houlihan at (949) 459-6581.

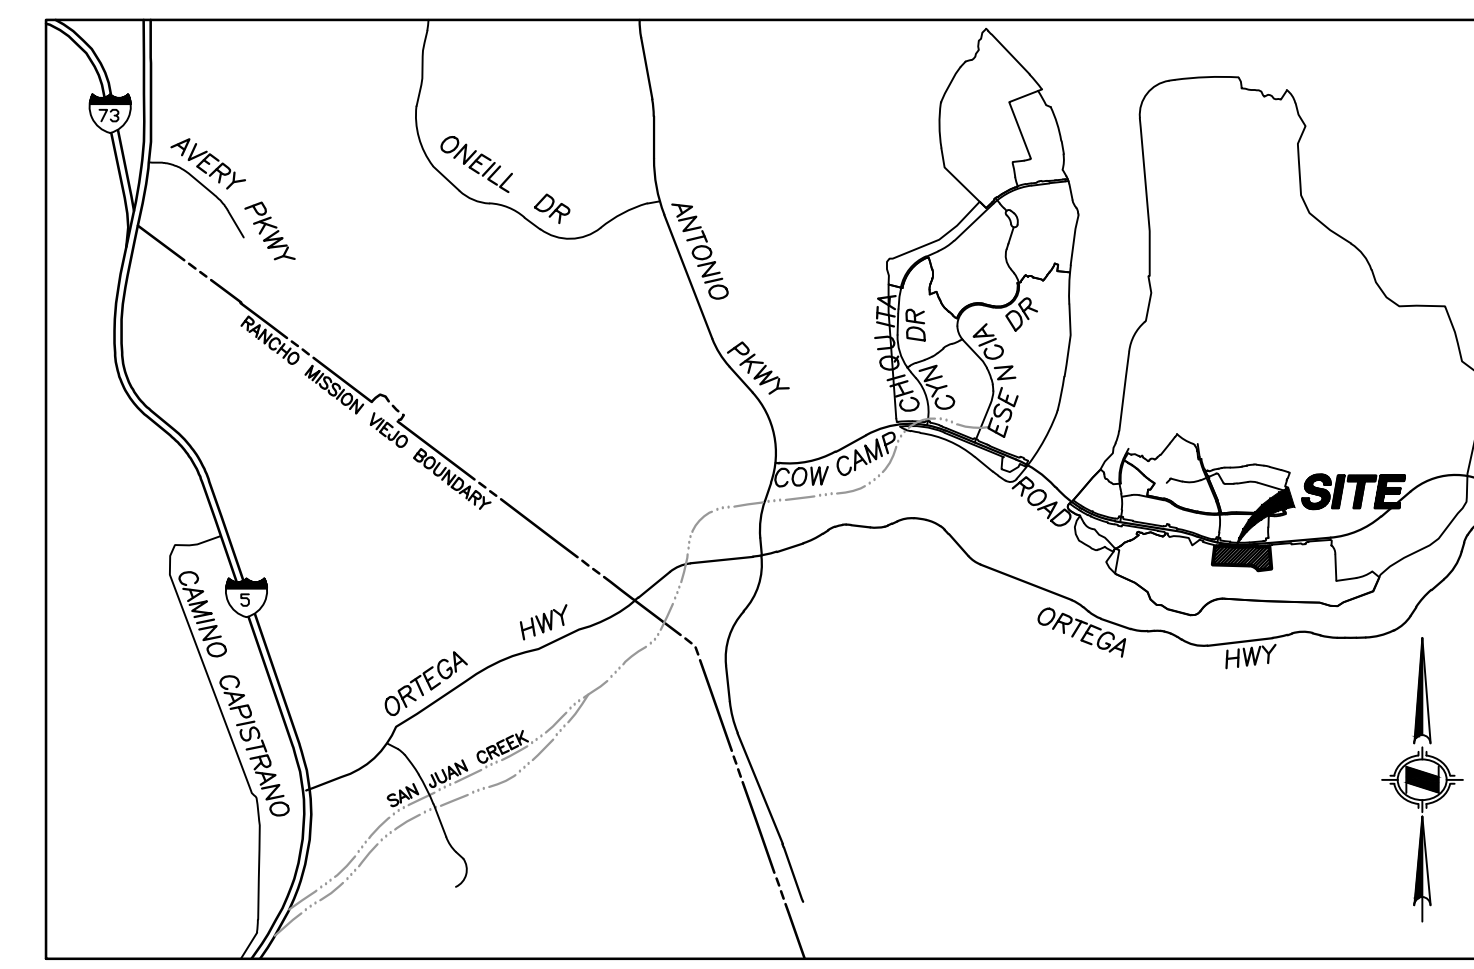

Sincerely,
