

DATE: October 21, 2026

TO: Orange County Subdivision Committee

FROM: OC Development Services/ Planning

SUBJECT: “B” Vesting Tentative Tract Map 19379 within Planning Area 3, Subarea 3.6, Ranch Plan Planned Community

PROPOSAL: The applicant, Rancho Mission Viejo (RMV), requests approval of “B” Vesting Tentative Tract Map 19379 (VTM 19379) to subdivide an 8.74-acre site, for condominium purposes, into 1 numbered lot for 146 multiple-family dwellings, landscaping, and private streets/alleys.

GENERAL PLAN DESIGNATION: 1B “Suburban Residential”

ZONING DISTRICT: Ranch Plan Planned Community (PC)

LOCATION: The project site is located in southeastern unincorporated Orange County, within Subarea 3.6, Lot 14 and 15 of “A” Tract Map 17936 in the Ranch Plan Planned Community. The project site is located north of Cow Camp Road, near the northwest corner of Gibby Road and Cow Camp Road, within the Fifth (5th) Supervisorial District.

APPLICANT: Rancho Mission Viejo
Richard Vuong, Project Director, Planning and Entitlement

STAFF CONTACT: Robert Zegarra, Contract Planner, Land Development Division
Phone: (714) 667-8893
Email: Robert.Zegarra@ocpw.ocgov.com

RECOMMENDED ACTIONS

OC Development Services/ Land Development recommends the Subdivision Committee:

1. Receive staff report and public testimony; and
2. Adopt Subdivision Committee Resolution No. 2026-08 (Attachment 1):
 - a. Find that Final EIR No. 589, certified by the Board of Supervisors on November 8, 2004, together with Addendum No. 1.0 approved on July 26, 2006, Addendum No. 1.1 approved on February 23, 2011, PA2 Addendum approved on March 27, 2013, Addendum No. 3.1 approved on February 25, 2015, and Addendum No. 3.2 approved July 8, 2026, adequately address the effects of the proposed Project, reflect the independent judgment of the County of Orange and are approved for the proposed project based on the following additional findings:

- i. The circumstances of the Project are substantially the same and Final EIR No. 589, Addendum No. 1.0, Addendum No. 1.1, PA2 Addendum, Addendum No. 3.1, and Addendum No. 3.2 adequately address the effects of the proposed Project. No substantial changes have been made in the Project, no substantial changes have occurred in the circumstances under which the Project is being undertaken, and no new information of substantial importance to the Project, which was not known or could not have been known when Final EIR No. 589 was certified, or when Addendum No. 1.0, Addendum No. 1.1, PA2 Addendum, Addendum No. 3.1, and Addendum No. 3.2 were approved; therefore, no further environmental review is required.
- b. Approve VTTM 19379, a subdivision of an 8.74-acre site, for condominium purposes, into 1 numbered lot for 146 multiple-family dwellings, landscaping, and private streets/alleys, subject to the Findings and Conditions of Approval contained within the Resolution.

INTRODUCTION

BACKGROUND

In November 2004, the County of Orange approved the Ranch Plan Planned Community (PC), which encompasses approximately 22,815 acres located east of I-5, north and south of Ortega Highway at Antonio Parkway/La Pata Avenue, within the Fifth Supervisorial District. As approved, the Ranch Plan PC comprises 75 percent permanent open space and allows for the development of 14,000 dwelling units and 5,200,000 square feet (SF) of non-residential uses in the remaining 25 percent. It is regulated by the Ranch Plan PC Program Text which addresses the unique characteristics of the property and a development plan for the transition to suburban/urban uses occurring over a 25 to 30-year period.

The Master Area Plan and Subarea Plans for Planning Areas 3 and 4 were originally approved on February 25, 2015, by the Planning Commission (PA140072-PA140081) and revised administratively on May 22, 2017 (PA150047). On September 11, 2019, the Planning Commission approved amendments and revisions to the Master Area Plans and Subarea Plans for Planning Areas 3 and 4 (PA180030) which reflect the applicant's plan to develop Planning Area 3 in smaller phases. Administrative revisions to the Master Area Plan and Subarea Plans for Planning Areas 3 and 4 were approved in October 2022 (PA22-0067), October 2024 (PA24-0104) and May 2025 (MB24-0070). The latest revisions to the Master Area Plan and Subarea Plans for Planning Areas 3 and 4 were approved by the Planning Commission (PA25-0162) on July 8, 2026, allowing for the reallocation of dwelling units and non-residential square footage between Planning Areas 3 and 4 and future Planning Area 5.

"A" VTTM 17936 for Subarea Plan 3.6 was approved by the Subdivision Committee on September 17, 2025. Administrative Revisions RTT00006 and RTT00008 to VTTM 17936 were approved by the Deputy Director on April 13, 2026 and July 24, 2026, respectively. Final Tract Map 17936 was approved by the County of Orange Board of Supervisors on October 13, 2026. Currently, Subarea 3.6 is being graded under issued Rough Grading permit GRD25-0058 and construction of supporting infrastructure is currently in process.

EXISTING CONDITIONS

The project site is currently vacant land, located at the northwest corner of the intersection of Gibby Road and Cow Camp Road, within Subarea 3.6, Lots 14 and 15 of “A” Tract Map 17936 in the Ranch PC.

SURROUNDING LAND USES

Direction	Zoning District	Existing Land Use
Project Site	The Ranch Plan PC	Vacant Land
North	The Ranch Plan PC	Future Residential Tract 19380
West	The Ranch Plan PC	Future Recreation Center
East	The Ranch Plan PC	Gibby Road, Future Residential Tract 19378
South	The Ranch Plan PC	Cow Camp Road, Subarea 3.14

PROPOSED PROJECT

The applicant, Rancho Mission Viejo, requests approval of “B” Vesting Tentative Tract Map 19379 (VTTM 19379) to subdivide an 8.74-acre site within Subarea 3.6 of the Ranch Plan PC into 1 numbered lot for 146 multiple-family dwellings, landscaping, and private streets/alleys. The tract map has been configured for the development of building pads, private driveways, and private motor courts. A reciprocal access agreement over the project site will be recorded with the final tract map to ensure pedestrian and vehicular access is permitted across the entire project.

General access to the tract will be provided from Gibby Road. The main and only entrance to the project site will be from Sierra Vista. The tract map has been designed with four private streets (Sierra Vista, Garnish Drive, Treetop Avenue, Verdant Drive) creating a loop road through the project that is connected to a system of alleys providing unit access. Unit plotting and site design for the tract map are being reviewed concurrently under Site Development Permit PA26-0079 for consistency with the Ranch Plan PC Program Text.

DISCUSSION/ANALYSIS

ESTIMATED EARTHWORK

The proposed estimated grading quantities for this map are substantially consistent with or less than the earthwork quantities described under previous approvals (i.e., Master Area Plan (PA3), Subarea Plan 3.6, Tract 17936, and grading permit (GRD25-0058). The proposed grading on this map has been addressed per CEQA document FEIR 589, together with Addendums 3.1 and 3.2.

DRAINAGE

The subject property is in the Ranch Plan Planned Community Runoff Management Plan (ROMP) Area. A Master Plan of Drainage (MPD) consistent with Amendment 2 of the PA 3 and 4 ROMP has been established for the project site (Subarea 3.6). VTTM 19379 is located in Subarea 3.6 and is consistent with this MPD, however no MPD fees are required.

RECREATION AND OPEN SPACE:

The proposed map is not required to provide any improvements or dedications associated with the County Master Plan of Regional Recreation Facilities; Master Plan of Regional Riding and Hiking Trails; Resources Element (Open Space Component); or OCTA Strategic Plan for Bikeways.

- Master Plan of Regional Recreation Facilities - There are no regional park dedication requirements of the subject map.
- Master Plan of Regional Riding and Hiking Trails - There are no riding and hiking trail requirements of the subject map.
- Master Plan of Local Parks (Local Park Code) - The proposed map is required to provide park land in accordance with the Master Plan of Local Parks (Local Park Code) per the parkland generation factor for each unit (greater than 6.5 du/ac requires 0.006 acres and less than 6.5 du/ac requires 0.008 acres). The Local Park Code requirement for the subject map VTTM 19379 is 0.88 net usable acres of park land based upon a proposal to build 146 dwelling units at a gross residential density of 16.70 du/ac (146 du/8.74 ac). Said requirement can be satisfied by an allocation of parkland credit from Park Modification PM07-01, the Local Park Implementation Plan (LPIP) for the Ranch Plan P.C. originally approved March 14, 2007, 1st Amendment approved in June 2012, 2nd Amendment approved on July 16, 2014, 3rd Amendment approved November 7, 2019, 4th Amendment approved December 6, 2023, and 5th Amendment approved September 17, 2025.

Per the Ranch Plan LPIP, the total parkland acreage requirement for the entire Ranch Plan Planned Community is 94.0 acres, based on 14,000 approved dwelling units and the anticipated proportion of single-family and multi-family units. Of the 94 acres required, 81.6 acres of creditable public parkland are anticipated in Planning Areas 3 and 4. For Subarea 3.6, the Ranch Plan LPIP does not indicate any requirements for public or private parkland. Therefore, there are no parkland dedication requirements applicable to VTTM 19379.

- Resources Element - Open Space Component - There are no open space dedication requirements applicable to the subject map.
- OCTA Strategic Plan for Bikeways - There are no County-wide bikeways identified within the area of this map.

PUBLIC SERVICES & UTILITIES

- Schools - This property is within the boundaries of the Capistrano Unified School District. The developer is subject to the provisions of Assembly Bill AB 2926 or other mitigating measures designed to provide for school facilities and/or funding, such as community facilities districts, as outlined by Mitigation Measure 4.15-5 of FEIR 589.
- Facilities Fees Programs - This project area is included within the Ranch Plan Planned Community Development Agreement DA04-01 which phases development commensurate with public services and facilities.
- Water/Sewer - This project is within the boundaries of the Santa Margarita Water District (SMWD). The SMWD stated in their Preliminary Water Sewer Letter, dated July 22, 2026, that SMWD will be capable of providing water and sewage disposal service to this development.

- Water Quality Control - This project will be required to operate in accordance with requirements prescribed by the California Regional Water Quality Control Board, San Diego Region, as outlined by Standard Conditions 4.5-3 thru 4.5-11 of FEIR 589.
- Fire Protection and Safety - Existing and proposed fire protection services will be providing an adequate level of fire protection services to this development. Additionally, this property is within the area covered by the approved Ranch Plan Fire Protection Program, which includes all applicable conditions of approval and regulations. A Fire Master Plan has been prepared for VTTM 19379, which has been reviewed and approved by the Orange County Fire Authority on April 8, 2026.
- County Service Area (CSA) - This property is within the boundaries of CSA No. 26.

TRAFFIC/CIRCULATION

- Scenic Highway Corridors - There are no Scenic Highways applicable to this map.
- Access/Highways/Streets/Roads - Access to the site is from Gibby Road, a proposed public street under "A" Final Tract Map 17936. Internal tract access will be provided by a system of private streets and alleys.
- Major Thoroughfare and Bridge Fee Program - This project lies within the area of benefit of the Foothill/Eastern Transportation Corridor. The developer is required to pay Foothill/Eastern Major Thoroughfare and Bridge fees in accordance with the adopted program.
- Off Site Fee Program – The project lies within the area of benefit of the South County Roadway Improvement Road Fee Program (SCRIP). The developer is required to pay SCRIP fees in accordance with the adopted program.
- To ensure that necessary ingress and egress easements are provided and maintained along the proposed private streets and/or motor courts/alleyways with the Final Map, Condition of Approval #7 requires the developer to demonstrate on the Final Map, subject to the satisfaction of the Land Development Manager, that improvements will not be constructed within the ingress and egress easements, which could interfere with the use and/or maintenance of the easement.

FIRE MASTER PLAN

The applicant has provided a copy of the Orange County Fire Authority (OCFA) Fire Master Plan, Service Request number 26001637, approved on April 8, 2026. OCFA has reviewed the proposed project and has concurred with the proposal. OCFA and Land Development will continue to coordinate necessary plan check reviews during the permitting and construction process to ensure VTTM 19379 is established in compliance with associated fire safety and fire protection requirements.

GENERAL PLAN CONSISTENCY

The General Plan Land Use designation for the subject site is Suburban Residential (1B). The Suburban Residential (1B) designation allows, "the greatest flexibility for residential development" with a permitted density between 0.25 and 43.5 DU/AC. As noted in the General Plan Land Use Element, residential land use categories include allowances for local and

community open space, local schools, childcare facilities, neighborhood commercial centers, and other facilities needed for neighborhood services.

The density and land uses proposed by VTTM19379 are consistent with the Suburban Residential (1B) land use designation. The project site proposes development of multiple-family dwelling units with a net density of 22.92 DU/AC, as well as usable project open space areas. Therefore, the proposed project is consistent with the General Plan and the intended land use objectives for the subject site.

SPECIFIC PLAN AND ZONING CODE CONSISTENCY

Pursuant to Zoning Code Section 7-9-47.5, the proposed project is subject to the provisions of the Ranch Plan PC Text. The Ranch Plan PC Text Section III.A.3 includes regulations for Multiple-Family Dwellings. As indicated under Ranch Plan PC Text Section III.A.3.a.3)a), Multiple-Family Dwellings are a permitted use subject to the approval of a Site Development Permit.

The following table provides a comparison of the proposed vesting tentative tract map with the Ranch Plan PC Program Text Use Regulations & Development Standards for “Multiple Family Dwellings” (PC Section III.A.3.d.) applicable to subdivisions. Unit plan types and site design for the tract map are also being reviewed concurrently under Site Development Permit PA26-0079 for consistency with the Ranch Plan PC Program Text.

Standard	Required/Permitted	Proposed
1) Minimum Building Site Area	5,000 SF	Complies; 380,877 SF

SUBDIVISION MAP ACT CONSISTENCY

County staff has reviewed VTTM19379 against the required findings of the State Subdivision Map Act (Government Code 66474.61) to deny a project. Staff finds that VTTM19379 does not meet any of the denial findings.

FINDINGS

Findings and conditions of approval are included in the Subdivision Committee Resolution No. 26-08.

REFERRAL FOR COMMENT

Copies of the vesting tentative tract map submittal package were distributed for review and comment to County staff and consultants, including Land Development, Traffic Engineering, Development Support, Survey, Operations & Maintenance, Building & Safety and OCFA. Through a collaborative effort with County staff, the applicant adequately addressed all comments. As of the writing of this staff report, no further comments have been received from any County divisions or OCFA.

PUBLIC NOTICE

A Notice of Public Hearing was posted at the project site, was published in the local newspaper, was posted at the posting kiosk at the County Administration building located in Santa Ana, CA,

and was posted on the OCPW-OC Development Services webpage at least ten days prior to this public hearing, as required by established public hearing posting procedures. No public comments have been received to date.

COMPLIANCE WITH CEQA

The proposed project is covered by previous CEQA documentation, which includes Final Program EIR 589, which was certified on November 8, 2004; Addendum 1.0, approved on July 26, 2006; Addendum 1.1, approved on February 24, 2011; the Planning Area 2 Addendum, approved on March 27, 2013; Addendum 3.1, approved February 25, 2015; and Addendum 3.2, approved July 8, 2026. This finding is appropriate and complies with the intent of CEQA, pursuant to the Orange County 2020 Local CEQA Procedures Manual, Section 13.1 for projects where a previous environmental document (i.e., Program EIR 589) is already in place. Further CEQA evaluation and clearances are not required for proposed "B" VTTM 19379.

CONCLUSION

Staff has also reviewed the applicant's request for approval of proposed "B" Vesting Tentative Tract Map 19379 (VTTM 19379) and found it to be consistent with County of Orange General Plan, Zoning Code, the Ranch Plan PC Text, and the Orange County Subdivision Code, Orange County Codified Ordinances (OCCO) Subarticle 5 (Processing Procedures for Tentative Maps). Staff recommends approval of "B" Vesting Tentative Tract Map 19379 (VTTM 19379), subject to the required Findings and Conditions of Approval within Resolution No. 26-08.

APPEAL PROCEDURE

Any interested person may appeal the decision of the Subdivision Committee on this application to the Orange County Planning Commission within 10 calendar days of the decision upon submittal of required documents filed online at myoceservices.ocgov.com or in person at the County Service Center, located at 601 N. Ross St., Santa Ana. If you challenge the action taken on this proposal in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this report, or in written correspondence delivered to OC Development Services.

RESOLUTION NO. 26-08
RESOLUTION OF THE SUBDIVISIONS COMMITTEE
OF
ORANGE COUNTY, CALIFORNIA
APPROVING VTTM 19379

OCTOBER 21, 2026

On Motion of Committee member _____, duly seconded and carried, the following Resolution was adopted:

WHEREAS, the applicant, Ranch Mission Viejo (RMV PA3 Development LLC), has submitted Vesting Tentative Map (VTTM) 19379, requesting review and approval of said map; and

WHEREAS, VTTM 19379 proposes the subdivision of an 8.74-acre site, for condominium purposes, into 1 numbered lot for 146 multiple-family dwellings, landscaping, and private streets/alleys (the “Project”); and

WHEREAS, the subdivision proposed by VTTM 19379 is located within Planning Area 3, Subarea 3.6 of the Ranch Plan Planned Community; and

WHEREAS, the Project is subject to the Ranch Plan Planned Community Program Text (PC Text), all applicable zoning code standards, and the requirements and regulations contained in the Ranch Plan Regulation Compliance Matrix, which is an executive summary of the Ranch EIR mitigation measures, the terms and conditions in the Development Agreement and various settlement agreements, the general requirements of the Affordable Housing Implementation Agreement, and the standards of the fire prevention code of Orange County Fire Authority; and

WHEREAS, pursuant to General Regulation #25 of the PC Text, the Project is allowed to utilize approved Alternative Development Standards for developments within the Ranch Plan Planned Community; and

WHEREAS, On February 25, 2015, the Planning Commission approved PA140072-82 to establish Planning Area 3 and its Subareas, including Subarea 3.5, for the Ranch Plan Planned Community; it was revised administratively on May 22, 2017 (PA150047). On September 11, 2019, the Planning Commission approved amendments and revisions to the Master Area Plans and Subarea Plans for Planning Areas 3 and 4 (PA180030) which reflect the applicant’s plan to develop Planning Area 3 in smaller phases. Administrative revisions to the Master Area Plan and Subarea Plans for Planning Areas 3 and 4 were approved in October 2022 (PA22-0067), October 2024 (PA24-0104) and most recently in May 2025 (MB24-0070), to adjust residential dwelling unit counts, non-residential square footage, and the locations of community facilities. On July 8, 2026, the Planning Commission approved amendments and revisions to the Master Area Plans and Subarea Plans for Planning Areas 3 and 4 (PA25-0162) allowing for the

reallocation of dwelling units and non-residential square footage between Planning Areas 3 and 4 and future Planning Area 5; and

WHEREAS, the Project's Final Environmental Impact Report (EIR) No. 589 and subsequent amendments reflect the independent judgment of the County and are deemed adequate to satisfy the requirements of the California Environmental Quality Act (CEQA) for approval of VTTM 19379, which is a necessarily included element contemplated as part of the overall action evaluated in Final EIR 589, Addendum 1.0, Addendum 1.1, the Planning Area 2 Addendum, Addendum 3.1, and Addendum 3.2; and

WHEREAS, pursuant to the Orange County Subdivision Code, Subarticle 5 (Processing Procedures for Tentative Maps) and California Government Code Section 65000, et seq., the Subdivision Committee conducted a public meeting to consider the matter; and

WHEREAS, the Subdivision Committee has reviewed and fully considered the materials and information presented to them for VTTM 19379, including the analysis provided in the staff report, comments received before and during the public hearing; findings required for a tentative map, recommended conditions of approval, and the conclusion of the environmental assessment.

NOW, THEREFORE, BE IT RESOLVED THAT THE SUBDIVISION COMMITTEE ADOPTS THIS RESOLUTION TO:

- a. Find that Final EIR No. 589, certified by the Board of Supervisors on November 8, 2004, together with Addendum No. 1.0 approved on July 26, 2006, Addendum No. 1.1 approved on February 23, 2011, PA2 Addendum approved on March 27, 2013, Addendum No. 3.1 approved on February 25, 2015, and Addendum No. 3.2 approved July 8, 2026, adequately address the effects of the proposed Project, reflect the independent judgment of the County of Orange and are approved for the proposed project based on the following additional findings:
 - i. The circumstances of the Project are substantially the same and Final EIR No. 589, Addendum No. 1.0, Addendum No. 1.1, PA2 Addendum, Addendum No. 3.1, and Addendum No. 3.2 adequately address the effects of the proposed Project. No substantial changes have been made in the Project, no substantial changes have occurred in the circumstances under which the Project is being undertaken, and no new information of substantial importance to the Project, which was not known or could not have been known when Final EIR No. 589 was certified, or when Addendum No. 1.0, Addendum No. 1.1, PA2 Addendum, Addendum No. 3.1, and Addendum No. 3.2 were approved; therefore, no further environmental review is required.

- b. Approve VTTM 19379, a subdivision of an 8.74-acre site, for condominium purposes, into 1 numbered lot for 146 multiple-family dwellings, landscaping, and private streets/alleys, subject to the Findings and Conditions of Approval contained within the Resolution.

Recommended Findings:

1. GENERAL PLAN – The design and improvements of the proposed map are consistent with the General Plan. The General Plan Land Use designations for the subject site is Suburban Residential (1B). The Suburban Residential (1B) designation allows, “the greatest flexibility for residential development” with a permitted density between 0.25 and 43.5 du/ac, and residential land use categories include allowances for local and community open space, local schools, childcare facilities, neighborhood commercial centers, and other facilities needed for neighborhood services. The density and land uses proposed by VTTM19379 are consistent with the Suburban Residential (1B) land use designation. The project is a subdivision for the development of multiple-family dwellings with a net density of 22.92 DU/AC, as well as usable project open space areas. Therefore, the proposed project is consistent with the General Plan and the intended land use objectives for the subject site.
2. RANCH PLAN PC TEXT AND ZONING CODE – The design and improvements of the proposed subdivision are suitable for the uses proposed and the subdivision can be developed in compliance with the applicable zoning regulations pursuant to the Subdivision Code Section 7-9-254, including applicable regulations of the County of Orange General Plan, and the Ranch Plan PC Text. Pursuant to Zoning Code Section 7-9-47.5, the proposed project is subject to the provisions of the Ranch Plan PC Text. The project proposes to subdivide the project site for the development of multiple-family dwellings, which is a principal permitted use under Section III.A.3.a.3)a) (Multiple-Family Dwellings) of the Ranch Plan PC text.
3. DEVELOPMENT TYPE – The site is physically suitable for the proposed type of development. The project is proposed on vacant land that is currently being rough graded to the parameters of this subdivision. The proposed subdivision has been designed in compliance with all applicable County of Orange Standard Plans, with the performance standards of the Ranch Plan Alternative Development Standards listed under Note 29 of the project plans, and no design features requiring a deviation from County of Orange standards are proposed.
4. CEQA – The requirements of the California Environmental Quality Act have been satisfied. The proposed project will not result in any new significant impacts beyond those originally identified by the Ranch Plan Final Program EIR 589 nor will there be any substantial increase in the severity of any previously identified environmental impacts. The circumstances of this project are substantially the same as Final EIR No. 589 certified by the Board of Supervisors on November 8, 2004, together with Addendum No. 1.0 approved

on July 26, 2006, Addendum No. 1.1 approved on February 23, 2011, PA2 Addendum approved on March 27, 2013, Addendum 3.1 approved on February 25, 2015, and Addendum No. 3.2 approved on July 8, 2026. Together, Final EIR No. 589, Addendum No. 1.0, Addendum No. 1.1, PA2 Addendum, Addendum No. 3.1, and Addendum No. 3.2 adequately address the effects of the proposed Project. No substantial changes have been made in the Project, no substantial changes have occurred in the circumstances under which the Project is being undertaken, and no new information of substantial importance to the Project which was not known or could not have been known when Final EIR No. 589 was certified, or when Addendum No. 1.0, Addendum No. 1.1, PA2 Addendum, Addendum 3.1 and Addendum No. 3.2 were approved has become known; therefore no further environmental review is required.

5. **DEVELOPMENT DENSITY** – The site is physically suitable for the proposed density of development. The proposed subdivision has been designed in compliance with the County of Orange General Plan, Subdivision Code, Zoning Code, and the Ranch Plan PC Text. The project is a subdivision for the development of multiple-family dwellings with a net density of 22.92 DU/AC. The proposed project design and density comply with the development standards of Ranch Plan PC Text Section III.A.3.a.3)a) (Multiple-Family Dwellings) and the General Plan Land Use designation Suburban Residential (1B), and the project does not include any deviations from standards of design.
6. **ENVIRONMENTAL DAMAGE** – The design of the subdivision and the proposed improvements are not likely to cause substantial environmental damage or substantial and avoidable injury to fish or wildlife or their habitat. The proposed project is covered by previous CEQA documentation, which includes Final Program EIR 589, certified on November 8, 2004; Addendum 1.0, approved on July 26, 2006; Addendum 1.1, approved on February 24, 2011; the Planning Area 2 Addendum, approved on March 27, 2013; Addendum 3.1, approved February 25, 2015; and Addendum 3.2, approved July 8, 2026. The proposed project will not result in any new significant impacts beyond those originally identified by previous CEQA documentation nor will there be any substantial increase in the severity of any previously identified environmental impacts.
7. **PUBLIC HEALTH** – The design of the subdivision and the type of improvements proposed are not likely to cause serious public health problems. The proposed project is covered by previous CEQA documentation, which includes Final Program EIR 589, certified on November 8, 2004; Addendum 1.0, approved on July 26, 2006; Addendum 1.1, approved on February 24, 2011; the Planning Area 2 Addendum, approved on March 27, 2013; Addendum 3.1, approved February 25, 2015; and Addendum 3.2, approved July 8, 2026. The proposed project will not result in any new significant impacts beyond those originally identified by previous CEQA documentation nor will there be any substantial increase in the severity of any previously identified environmental impacts.

8. PUBLIC EASEMENTS – The design of the subdivision and the type of improvements proposed will not conflict with easements of record or established by court judgment acquired by the public-at-large for access through or use of property within the proposed subdivision. The proposed subdivision does not include any existing or proposed public easement.
9. WATER/SEWER SYSTEM – The discharge of waste from the proposed subdivision into the existing sewer system of the Water District will not result in violations of existing requirements prescribed by the California Regional Water Quality Control Board, San Diego Region. The proposed subdivision is within the boundaries of the Santa Margarita Water District (SMWD). The SMWD stated in their Preliminary Water Sewer Letter, dated July 22, 2026, that SMWD will be capable of providing water and sewer service to this development without exception.

Recommended Conditions of Approval:

1. REGULATION COMPLIANCE MATRIX – The applicant shall comply with all applicable requirements of the Ranch Plan Regulation Compliance Matrix (Attachment 2) to the satisfaction of the appropriate decision maker.
2. WATER QUALITY MANAGEMENT PLAN – Prior to the issuance of any grading or building permits, the applicant shall submit for review and approval by the Manager, Permit Services, a Water Quality Management Plan (WQMP) specifically identifying Best Management Practices (BMPs) that will be used onsite to control predictable pollutant runoff. The applicant shall utilize the Orange County Drainage Area Management Plan (DAMP), Model WQMP and Technical Guidance Manual for reference, and the County's WQMP template for submittal. This WQMP shall include the following:
 - a. Detailed site and project description
 - b. Potential stormwater pollutants
 - c. Post-development drainage characteristics
 - d. Low Impact Development (LID) BMP selection and analysis
 - e. Structural and Non-Structural source control BMPs
 - f. Site design and drainage plan (BMP Exhibit)
 - g. GIS coordinates for all LID and Treatment Control BMPs
 - h. Operation and Maintenance (O&M) Plan that (1) describes the long-term operation and maintenance requirements for BMPs identified in the BMP Exhibit; (2) identifies the entity that will be responsible for long-term operation and maintenance of the referenced BMPs; and (3) describes the mechanism for funding the long-term operation and maintenance of the referenced BMPs

The BMP Exhibit from the approved WQMP shall be included as a sheet in all plan sets submitted for plan check and all BMPs shall be depicted on these plans. Grading and building plans must be consistent with the approved BMP exhibit.

3. **BEST MANAGEMENT PRACTICES** – Prior to issuance of a building permit, the off-site regional Best Management Practices (BMPs) relied upon by this project (e.g., basins, swales, etc.) must be built and/or installed, and operational. The location and operation of these regional BMPs must be in compliance with the Final Project-Specific WQMP for the regional BMP(s). The location and operation of the regional BMP(s) must be demonstrated to the satisfaction of the Manager, Grading and Building Plan Check.
4. **COMPLIANCE WITH THE NPDES IMPLEMENTATION PROGRAM** – Prior to the issuance of a certificate of use and occupancy, the applicant shall demonstrate compliance with the County's NPDES Implementation Program in a manner meeting the satisfaction of the Manager, OC Inspection, including:
 - a. Demonstrate that all structural Best Management Practices (BMPs) described in the BMP Exhibit from the project's approved WQMP have been implemented, constructed and installed in conformance with approved plans and specifications
 - b. Demonstrate that the applicant has complied with all non-structural BMPs described in the project's WQMP
 - c. Submit for review and approval an Operations and Maintenance (O&M) Plan for all structural BMPs (the O&M Plan shall become an attachment to the WQMP).
 - d. Demonstrate that copies of the project's approved WQMP (with attached O&M Plan) are available for each of the initial occupants.
 - e. Agree to pay for a Special Investigation from the County of Orange for a date twelve (12) months after the issuance of a Certificate of Use and Occupancy for the project to verify compliance with the approved WQMP and O&M Plan
 - f. Demonstrate that the applicant has RECORDED one of the following:
 1. The CC&R's (that must include the approved WQMP and O&M Plan) for the project's Homeowner's Association.
 2. A water quality implementation agreement that has the approved WQMP and O&M Plan attached; or
 3. The final approved Water Quality Management Plan (WQMP) and Operations and Maintenance (O&M) Plan.
 (Compliance Matrix - Items 539, 539.1, 539.2)
5. **INDEMNIFICATION** – Applicant shall defend with counsel approved by the County of Orange in writing, indemnify and hold harmless the County of Orange, its officers, agents and employees from any claim, action or proceeding against the County, its officers, agents or employees to attack, set aside, void, or annul any approval of the application or related

decision, or the adoption of any environmental documents, findings or other environmental determination, by the County of Orange, its Board of Supervisors, Planning Commission, Zoning Administrator, Director of OC Public Works, or Director of Planning concerning this application. The County may, at its sole discretion, participate in the defense of any action, but such participation shall not relieve applicant of his/her obligations under this condition. Applicant shall reimburse the County for any court costs and attorney's fees that the County may be required to pay as a result of such action. The County shall promptly notify the applicant of any such claim, action or proceeding.

6. BUYER NOTIFICATION MAP – Prior to the issuance of any building permits for residential construction, the developer RMV Community Development, LLC, shall prepare a map denoting the existing and proposed land uses, arterial highways and public facilities within the surrounding area for the approval of the Manager, OC Development Services. The map content, display, and distribution shall be in accordance with the Buyer Notification Program guidelines listed in Board of Supervisors Resolution 82-1368 and as amended.
7. INGRESS/EGRESS EASEMENT – Prior to recordation of the final tract map, the subdivider shall demonstrate that all necessary ingress/egress easements within private streets and/or motor courts/alleyways are identified on the final map subject to the satisfaction of the Manager, Land Development. The easement shall prohibit property owners from installing any improvements within the easement area or interfering with the use or maintenance of the easement.

The foregoing resolution was passed and adopted by the following vote of the Orange County Subdivision Committee, on October 21, 2026, to wit:

Ayes:

Noes:

Excused:

Abstained:

I HEREBY CERTIFY that the foregoing Resolution No. 26-08 was adopted on October 21, 2026 by the Orange County Subdivision Committee.

By: Scarlet Duggan, Chairperson

ORANGE COUNTY SUBDIVISION COMMITTEE

524		EIR 589	SC 4.4-3	Prior to the recordation of a subdivision map or prior to issuance of a Grading Permit, whichever comes first	Geology and Soils (cont.):		Geology and Soils (cont.):	Prior to the recordation of a subdivision map or prior to the issuance of any grading permit, whichever comes first, and if determined necessary by the County of Orange Manager, Subdivision and Grading, the applicant shall record a letter of consent from the affected property owners permitting off-site grading, cross lot drainage, drainage diversions and/or unnatural concentrations. The applicant shall obtain approval of the form of the letter of consent from the Manager. Subdivision and Grading Services before recordation of the letter. (County Standard Condition G04)	County of Orange Director of Planning & Development Services, Director, OC Planning	Recordation of a letter of consent from affected property owners if determined necessary by County of Orange Director of Planning & Development Services		Each PA
525		EIR 589	SC 4.4-4	Prior to the issuance of grading permits	Geology and Soils (cont.):		Geology and Soils (cont.):	Prior to issuance of grading permits, the Manager OC Planned Communities shall determine that the proposed grading is consistent with the grading depicted within the approved planning application. (County Standard Condition G09)	County of Orange Director of Planning & Development Services, Director, OC Planning	Approval of grading plan		Each PA
527		EIR 589	SC 4.5-1	Prior to recordation of a Subdivision Map or issuance of a Grading Permit, whichever comes first	Drainage Study:		Drainage Study:	Prior to the recordation of a subdivision map (except maps for financing and conveyance purposes only) or prior to the issuance of any grading permits, whichever comes first, the following drainage studies shall be submitted to and approved by the Manager, Subdivision and Grading: (County Standard Condition D01a)	County of Orange Director of Planning & Development Services, Director, OC Planning	Submittal of satisfactory of drainage study		Each PA

Item No.	Cross Reference Column	Source	Condition, Mitigation, Public Benefit or Entitlement Provision	Timing	Subject	Keywords	Title	Requirements or Entitlement Provisions	Reviewing / Approving Authority (Advisory Agency in Parentheses)	Form of Compliance	Guidance for Compliance	Area Application
527.1		EIR 589	SC 4.5-1 (cont.)	See above	Drainage Study (cont.):		Drainage Study (cont.):	A. A drainage study of the project including diversions, off-site areas that drain onto and/or through the project, and justification of any diversions; and B. When applicable, a drainage study evidencing that proposed drainage patterns will not overload existing storm drains; and C. Detailed drainage studies indicating how the project grading, in conjunction with the drainage conveyance systems including applicable swales, channels, street flows, catch basins, storm drains, and flood water retarding, will allow building pads to be safe from inundation from rainfall runoff which may be expected from all storms up to and including the theoretical 100-year flood. (County Standard Condition D01a)	See above	See above		Each PA
528		EIR 589	SC 4.5-2	Prior to recordation of a Subdivision Map or Issuance of a Grading Permit, whichever comes first	Drainage Improvements:		Drainage Improvements:	A. Prior to the recordation of a subdivision map (except maps for financing and conveyance purposes only) or prior to the issuance of any grading permits, whichever comes first, the applicant shall in a manner meeting the approval of the Manager, Subdivision and Grading: (County Standard Condition D02a)	County of Orange, Director of Planning & Development Services, Director, OC Planning	Approval of storm drain drainage plans and offer(s) of dedication, if necessary		Each PA
528.1		EIR 589	SC 4.5-2 (cont.)	See above	Drainage Improvements (cont.):		Drainage Improvements (cont.):	1) Design provisions for surface drainage; 2) Design all necessary storm drain facilities extending to a satisfactory point of disposal for the proper control and disposal of storm runoff; and 3) Dedicate the associated easements to the County of Orange, if determined necessary. (County Standard Condition D02a)	See above	See above		Each PA

Item No.	Cross Reference Column	Source	Condition, Mitigation, Public Benefit or Entitlement Provision	Timing	Subject	Keywords	Title	Requirements or Entitlement Provisions	Reviewing / Approving Authority (Advisory Agency in Parentheses)	Form of Compliance	Guidance for Compliance	Area Application
530		EIR 589	SC 4.5-3	Prior to the issuance of Grading Permits	Drainage Improvements (cont.):		Drainage Improvements (cont.):	A. Prior to the issuance of any grading permits, the applicant shall in a manner meeting the approval of the Manager, Subdivision and Grading: (County Standard Condition D02b)	County of Orange Director of Planning & Development Services, Director, OC Planning	Submittal of satisfactory drainage plans		Each PA
530.1		EIR 589	SC 4.5-3 (cont.)	See above	Drainage Improvements (cont.):		Drainage Improvements (cont.):	1) Design provisions for surface drainage; and 2) Design all necessary storm drain facilities extending to a satisfactory point of disposal for the proper control and disposal of storm runoff; and 3) Dedicate the associated easements to the County of Orange, if determined necessary. (County Standard Condition D02b)	See above	See above		Each PA
537		EIR 589	SC 4.5-8	Prior to the recordation of a Subdivision Map or the issuance of any Grading or Building Permit, whichever comes first	Water Quality Management Plan:		Water Quality Management Plan:	Prior to the recordation of any final subdivision map (except those maps for financing or conveyance purposes only) or the issuance of any grading or building permit (whichever comes first), the applicant shall submit for review and approval by the Manager, Inspection Services Division, a Water Quality Management Plan (WQMP) specifically identifying Best Management Practices (BMPs) that will be used onsite to control predictable pollutant runoff. This WQMP shall identify, at a minimum, the routine structural and non-structural measures specified in the current Drainage Area Management Plan (DAMP). The WQMP may include one or more of the following: (County Standard Condition WQ01)	County of Orange Director of Planning & Development Services, Director, OC Planning	Submittal of satisfactory Water Quality Management Plan		Each PA

Item No.	Cross Reference Column	Source	Condition, Mitigation, Public Benefit or Entitlement Provision	Timing	Subject	Keywords	Title	Requirements or Entitlement Provisions	Reviewing / Approving Authority (Advisory Agency in Parentheses)	Form of Compliance	Guidance for Compliance	Area Application
537.1		EIR 589	SC 4.5-8 (cont.)	See above	Water Quality Management Plan (cont.):		Water Quality Management Plan (cont.):	• Discuss regional water quality and/or watershed programs (if available for the project); • Address Site Design BMPs (as applicable) such as minimizing impervious areas, maximizing permeability, minimizing directly connected impervious areas, creating reduced or "zero discharge" areas, and conserving natural areas; • Include the applicable Routine Source Control BMPs as defined in the DAMP. (County Standard Condition WQ01)	See above	See above		Each PA
538		EIR 589	SC 4.5-8 (cont.)	See above	Water Quality Management Plan (cont.):		Water Quality Management Plan (cont.):	Demonstrate how surface runoff and subsurface drainage shall be managed and directed to the nearest acceptable drainage facility (as applicable), via sump pumps if necessary. (Standard Condition of Approval, WQ03)	See above	See above		Each PA
540		EIR 589	SC 4.5-10	Prior to the issuance of any Grading or Building Permits	Stormwater Pollution Prevention Plan.		Stormwater Pollution Prevention Plan.	Prior to the issuance of any grading or building permits, the applicant shall demonstrate compliance under California's General Permit for Stormwater Discharges Associated with Construction Activity by providing a copy of the Notice of Intent (NOI) submitted to the State Water Resources Control Board and a copy of the subsequent notification of the issuance of a Waste Discharge Identification (WDID) Number or other proof of filing in a manner meeting the satisfaction of the Manager, Building Permit Services. Projects subject to this requirement shall prepare and implement a Stormwater Pollution Prevention Plan (SWPPP). A copy of the current SWPPP shall be kept at the project site and be available for County review on request. (County Standard Condition WQ04)	County of Orange Manager of Building Inspection – Manager, OC Inspection Division (Regional Water Quality Control Board)	Provision of Notice of Intent and verification of a copy of the Storm Water Pollution Prevention Plan (SWPPP); at the project site		Each PA

Item No.	Cross Reference Column	Source	Condition, Mitigation, Public Benefit or Entitlement Provision	Timing	Subject	Keywords	Title	Requirements or Entitlement Provisions	Reviewing / Approving Authority (Advisory Agency in Parentheses)	Form of Compliance	Guidance for Compliance	Area Application
541		EIR 589	SC 4.5-11	Prior to the issuance of any Grading or Building Permits	Erosion and Sediment Control Plan.		Erosion and Sediment Control Plan.	Prior to the issuance of any grading or building permit, the applicant shall submit a Erosion and Sediment Control Plan (ESCP) in a manner meeting approval of the Manager, Building Permit Services, to demonstrate compliance with local and state water quality regulations for grading and construction activities. The ESCP shall identify how all construction materials, wastes, grading or demolition debris, and stockpiles of soil, aggregates, soil amendments, etc. shall be properly covered, stored, and secured to prevent transport into local drainages or coastal waters by wind, rain, tracking, tidal erosion or dispersion. The ESCP shall also describe how the applicant will ensure that all BMPs will be maintained during construction of any future public right-of-ways. A copy of the current ESCP shall be kept at the project site and be available for County review on request. (County Standard Condition WQ05)	County of Orange Manager of Building Permits- Manager, Permit Services (Building Plan Check)	Submittal of satisfactory Erosion and Sediment Control Plan (ESCP); verification of copy of ESCP at project site		Each PA
548		EIR 589	SC 4.6-6	Prior to the issuance of Grading Permits	Sight Distance:		Sight Distance:	Prior to the issuance of any grading permits, the applicant shall provide adequate sight distance per Standard Plan 1117 at all street intersections, in a manner meeting the approval of the Manager, Subdivision and Grading. The applicant shall make all necessary revisions to the plan to meet the sight distance requirement such as removing slopes or other encroachments from the limited use area in a manner meeting the approval of the Manager, Subdivision and Grading Services. (Standard Condition of Approval T07)	County of Orange Director of Planning & Development- Services, Director, OC Planning	Approved grading plans verifying adequate sight distance		Each PA

Item No.	Cross Reference Column	Source	Condition, Mitigation, Public Benefit or Entitlement Provision	Timing	Subject	Keywords	Title	Requirements or Entitlement Provisions	Reviewing / Approving Authority (Advisory Agency in Parentheses)	Form of Compliance	Guidance for Compliance	Area Application
555		EIR 589	SC 4.7-1	Prior to the issuance of a grading permit	Fugitive Dust:		Fugitive Dust:	All construction contractors shall comply with South Coast Air Quality Management District (SCAQMD) regulations, including Rule 403, Fugitive Dust, and Rule 402. Nuisance. All grading (regardless of acreage) shall apply best available control measures for fugitive dust in accordance with Rule 403. To ensure that the project is in full compliance with applicable SCAQMD dust regulations and that there is no nuisance impact off the site, the contractor would implement each of the following:	County of Orange Director of Planning & Development Services, Director, OC Planning	Verification of compliance with Rule 403 and Rule 402		Each PA
555.1		EIR 589	SC 4.7-1 (cont.)	See above	Fugitive Dust (cont.):		Fugitive Dust (cont.):	a. Moisture soil not more than 15 minutes prior to moving soil or conduct whatever watering is necessary to prevent visible dust emissions from traveling more than 100 feet in any direction.	See above	See above		Each PA
555.2		EIR 589	SC 4.7-1 (cont.)	See above	Fugitive Dust (cont.):		Fugitive Dust (cont.):	b. Apply chemical stabilizers to disturbed surface areas (i.e., completed grading areas) within five days of completing grading or apply dust suppressants or vegetation sufficient to maintain a stabilized surface.	See above	See above		Each PA
555.3		EIR 589	SC 4.7-1 (cont.)	See above	Fugitive Dust (cont.):		Fugitive Dust (cont.):	c. Water excavated soil piles hourly or cover with temporary coverings.	See above	See above		Each PA
555.4		EIR 589	SC 4.7-1 (cont.)	See above	Fugitive Dust (cont.):		Fugitive Dust (cont.):	d. Water exposed surfaces at least twice a day under calm conditions. Water as often as needed on windy days when winds are less than 25 miles per hour or during very dry weather in order to maintain a surface crust and prevent the release of visible emissions from the construction site.	See above	See above		Each PA
555.5		EIR 589	SC 4.7-1 (cont.)	See above	Fugitive Dust (cont.):		Fugitive Dust (cont.):	e. Wash mud-covered tires and undercarriages of trucks leaving construction sites.	See above	See above		Each PA
555.5		EIR 589	SC 4.7-1 (cont.)	See above	Fugitive Dust (cont.):		Fugitive Dust (cont.):	f. Provide for street sweeping, as needed, on adjacent roadways to remove dirt dropped by construction vehicles or mud, which would otherwise be carried off by trucks departing from project sites.	See above	See above		Each PA
